

Dear Miss.—>Mrs. Shen

As your former students, I am ecstatic to hear that you have found your true love and will get married during the National Day Holiday, so I am writing to express my cordial congratulation.

Back in high school, you spared no efforts to guide us in writing second and third drafts when we had problems with our essays, correcting them very carefully and hoping that we would make as much progress as possible. We feel very grateful and respectful for your care and patience. In our senior year, Ms. Feng Yinan wished you to fall in love soon. To our surprise, you really found your love quickly and are about to have a family life. Married life is a whole new phase of life, and we are sure that your precious qualities as a nice teacher will shine in your family life as well, so that you can reap the benefits of a happy and fulfilling life.

桃之夭夭，灼灼其华；之子于归，宜其室家。 May you always be as vigorous and beautiful as a peach blossom, and may you and your husband keep in love forever!

Sincerely,
Chen Yihang

Dear Elaine,

It's such an exciting thing that hearing about the wedding. As a student of yours, I' m writing to express my sincere congratulations and gratitude.

It seems that the high school days just ended yesterday, the class memories are still clear in my mind. My classmates were discussing about the essay, the cloze, the gossip in the school as well as the topic of love. So fast the message came that I wrote the letter hastily with surprise, just a year after my graduation.

Wish my lovely teacher have a good married life!

Your student,

Hsy

Dear Mrs. Shen,

News coming that your wedding was scheduled on October 2nd,
I' m writing to give you heart-felt congratulations!

It was not shocked that you encountered your Mr. right finally,
because you are such an attractive girl! Living the single life for years,
it was time for you to enjoy a sweet life with your partner. Although
I even didn' t know who is the lucky boy when I was writing this
letter, I still believed he was a outstanding and special man. Praying
and wishing happiness for both of you, I hoped you are the one from
the story that says: Happily Ever After!

Finally, congratulations on your marriage again and may you be as
rich in life as you are in love!

Sincerely,

Li Zonghuan

Dear Elaine,

Hearing that you are getting married, which really gives everybody a hit, I myself feel surprised too. First of all, please allow me to convey my heartiest congratulations. And I'm really honored to have you invitation to the wedding which is an opportunity I could never miss.

For a long time, we have been imagining when is the time and who is the 'one'. It turns out that it's not a long time for the answer. To be honest, it's still a really shock even if I know that this day will eventually come. But anyway, congratulations! Though it is too early for me to get to know what is the feeling being married to someone, and I haven't really got to know what 'love' means, I still wish you a wonderful and, what's more important, a happy marriage. I hope your future life can shine for ever like the sun and the moon. May the joy you share on your wedding day be the kind you'll share all along life's way. And I'd like to let you know that, as your dearest student, we always love three things in the world— the sun, the moon and you— the sun for the day, the moon for the night, and you, forever~

Wishing you a world of happiness and love as all your dreams come true.
May you a happy life.

Yours
Sky Jiang

Dear Elaine,

Congratulations! I am exceptionally delighted to learn that your wedding is around the corner. You can't imagine how excited I was when I received the good news and got the chance to attend your wedding.

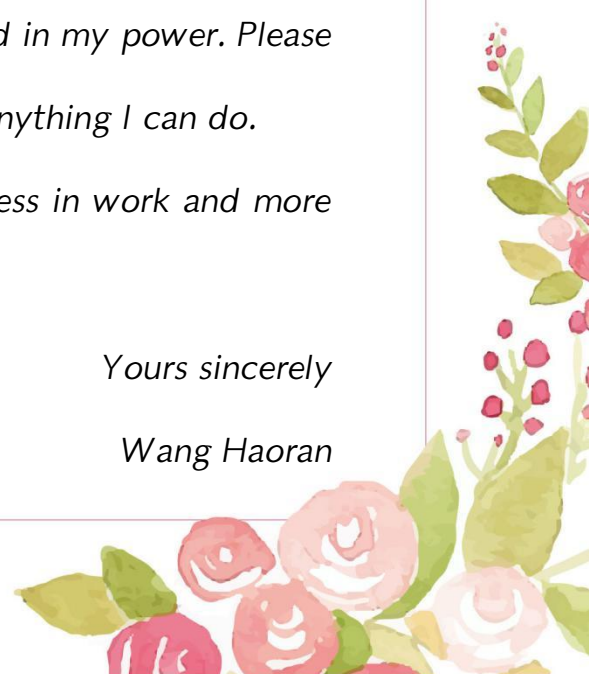

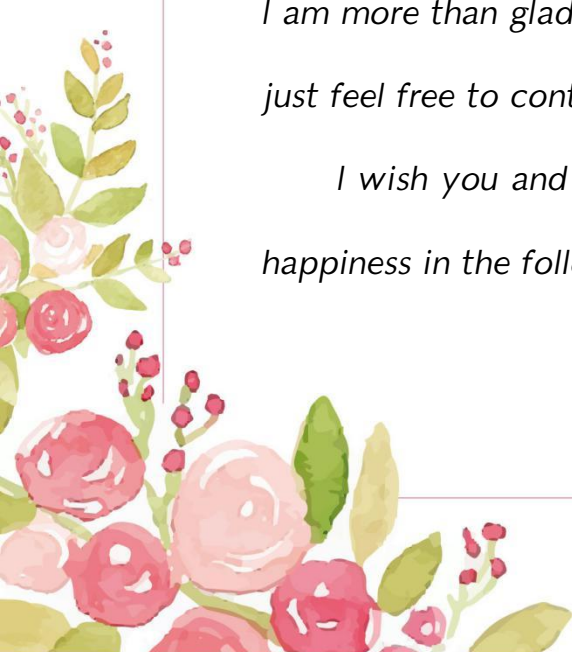

To be frank, words failed to convey my heartfelt gratitude to you. Without your patience and enthusiasm all along, I wouldn't have integrated into the school so smoothly. It was your generous guidance and patient tutoring that eased my anxiety and re-ignited my passion. Moreover, so considerate was you that you spared no effort to polish our composition. But for your unreserved help, I wouldn't have achieved such a success and made progress in English in leaps and bounds.

Popular notion has it that 'to love and to be loved is the greatest happiness of existence'. There is no denying that your husband will love you forever. And, I would like to say that, as your student always, I am more than glad to offer whatever you need in my power. Please just feel free to contact me whenever there is anything I can do.

I wish you and your husband greater success in work and more happiness in the following life.

Yours sincerely

Wang Haoran

Dear Mrs. Shen

Message came that your wedding will be held on October 2nd.
Exited and eager, I'm writing to convey my best regards to you.

The years of senior high witnessed your unreserved devotion in teaching. It was your enlightening guidance that intrigues our passion and thirst for English learning, and even confidence in learning a second foreign language. May I say in all sincerity that we could not have achieved this much without your commitment and support.

I am soooooooooo glad to be privileged to witness this incredible, truly once in a lifetime, event that I'd dare say this is the one and only time that I write, wholeheartedly, the sentence 'words failed to convey my' excitement. I just can't wait to see you in wedding dress! You're bound to be gorgeous.

Congrats on your getting married and see you soon! Best regards!

Sincerely,

Coco

Dear Elaine,

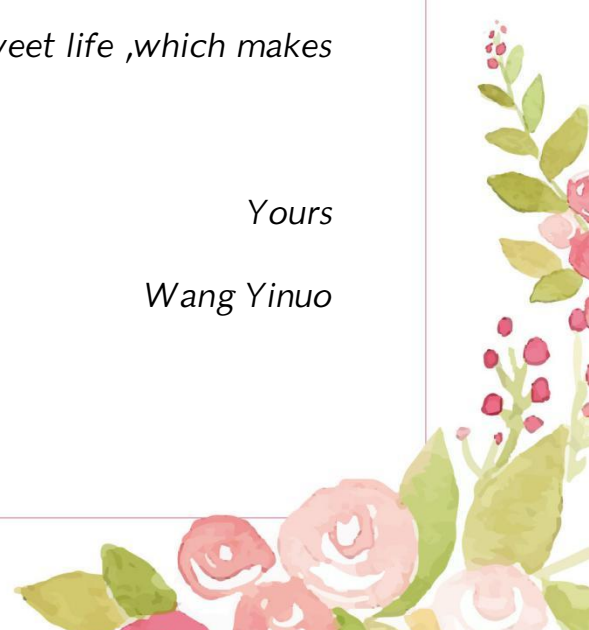

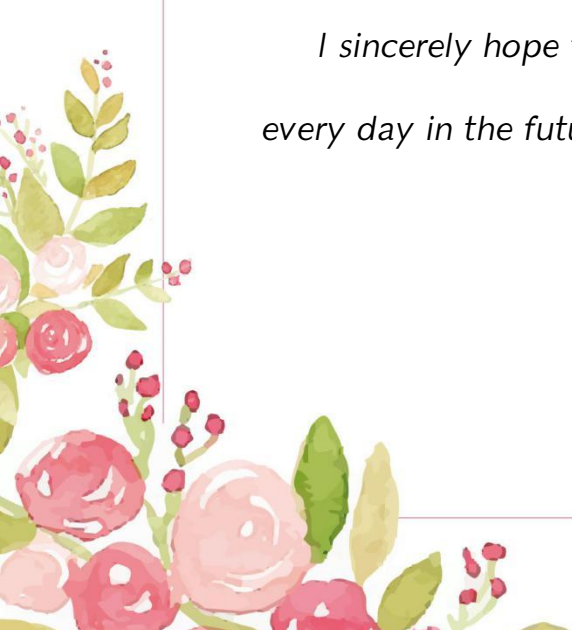

Message came that you're going to enter the palace of marriage, I'm writing to convey my best wishes.

You can't believe my expectation of witnessing your wedding. I feel very anxious that the school has not allowed me to go home and I'm afraid that it will bring you trouble because of my uncertainty. Fortunately, I was finally lucky to be able to attend and have the opportunity to witness such an important moment of you. Looking back on the past three years of senior high, with your guidance, I almost reach the peak of my English ability in the college entrance examination. Now I'm back to the stage of using 'afraid' , 'lucky' and 'important' . Perhaps the score of this application article will be very low, but my wishes to you are absolutely sincere. The melody of 'I do adore' has already echoed in my mind and I can't wait to see you in your wedding dress.

I sincerely hope that love permeates your sweet life ,which makes every day in the future brilliant and joyful.

Yours

Wang Yinuo

Dear Mrs. Shen,

News came that your wedding is scheduled on Oct. 2nd. For your patient meticulous teach in my senior high school period, I'm writing to convey my sincere congratulation.

I can always remember your comely appearance and lovely character which make you deserve all the love and happiness you'll harvest through your life. Although the acute disease of my grandfather prevent me from attending your wedding in person, my cordial wish will never absent from your important event. May you be as rich in life as you are in love.

Happy married life !

Yours sincerely

Ye Sirui

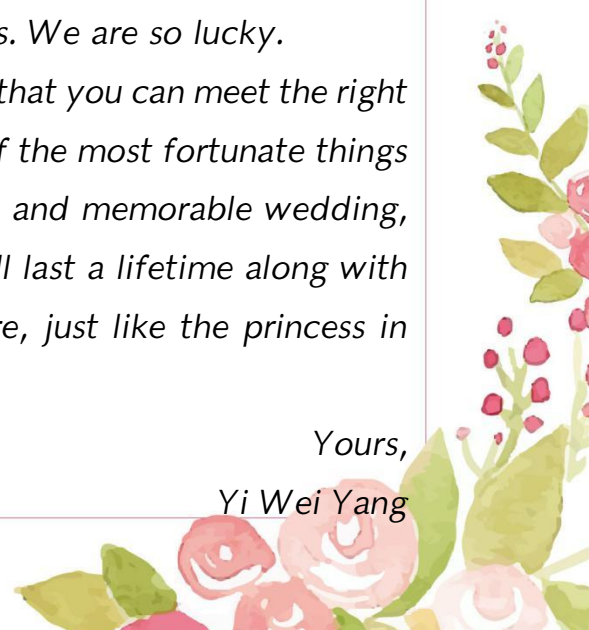

Dear Elaine,

On hearing the news that you are going to get married (which I still find it hard to believe), I was soooooooooo surprised that I almost dropped my phone and failed to resist the urge to scream. It's truly a great honor for me to be invited to your wedding:). Now, with heart enflaming and hands trembling, I'm writing to extend my sincere congratulations. By the way, please ignore those grammatical mistakes and catachresis I failed to discover--- It's been a year since I waved goodbye to English essays and my notebook is 117.1km away at this moment:(. Anyway, it is the felicitation that counts the most, isn't it?

I think it might not be a secret for you that all the students in class 2 are concerned about your romantic relationships. Though praising myself as a non-gossip, I still have to admit that whenever I heard others mentioned this subject, I would join with gusto, happily playing the role of a watermelon eater. In the whole three years, these conversations invariably end in the same way:" Ahhh, when will Elaine find her boyfriend (so that her interest in the second draft can be distracted)?" However, disappointedly, even after graduation, there still doesn't seem to be any sign that you're not single---and suddenly, you are going to get married! When do you meet him? How do you meet him? Who is he? We! Know! Nothing! Do you have any idea what a surprise this is to us! Jesus, now this letter looks more like a complaint than a congratulatory one. Sorry for talking so much nonsense, I'm just tooooooo exciting, and I want to tell you that every student you've taught is glad to hear such a fantastic news. Well, precisely speaking, we are going a little mad---very mad---when the news comes out. Not everyone owns the opportunity to see the class teacher in her wedding dress, bright and magnificent like a goddess. We are so lucky.

Anyway, CONGRATULATIONS!!!!!! I'm truly happy that you can meet the right man in such a wide world but small life. This is one of the most fortunate things a person can experience. Wish you a merry, brilliant and memorable wedding, and may the joy you share on your wedding day will last a lifetime along with the love, filling your life with happiness and pleasure, just like the princess in the fairy tale(wink~).

Yours,
Yi Wei Yang

Dear Elaine,

Message came that you're going to get married, I'm writing to extend my heartfelt congratulation and best wishes.

To be honest, I was a little bit surprised when I received your invitation. Because your image has always been a teacher with rich experience, instead of a girl seeking for love lol. It's very lucky of me to have this opportunity to attend your wedding ceremony, witness and contribute to this memorial moment. Given that the groom is just an unimportant stranger (I guess), I sincerely hope YOU will enjoy your life and marriage, no matter if the happiness is established on his pain or labor or whatever :) Plus, I wish your marriage filled with all the good things, just be rich and relaxed forever!

BTW, we've, probably, prepared a gift together for you ,please accept it with a BIG SMILE!

Yours,
Zhang Yihan

Dear Ms Shen

I' m so glad to receive the excited information that ours' English teacher, Ms Shen will get married on 10.2.

It is my great honor to receive Ms.Shen' s invitation to attend the wedding,and I am also very happy to go to the DaHua hotel to send my most sincere blessing. In my impression, Ms Shen is a very responsible and loving head teacher. She often gives us a special homework “ second draft ” to improve our English writing proficiency.

Finally, I wish Ms Shen a happy marriage and a successful career.

Dear Mrs. Shen

Message came that you will get married soon, I am very honored to be here and express my sincere wishes to your future life.

The past three years in senior high school witnessed your devoted work and professional teaching ,without which I would not have been able to reach today's level. When I first heard the news , I was more than astonished and happy for you. Marriage is an important node in life. And I sincerely hope that your life will become better because of this node.

We wish you both many more anniversaries , each happier than the last.

Yours,

Dear Elaine,

I am Zhou Qianyun! I just can't believe it when I first heard about your news. To be honest, I was immersed in my computer game when monitor Jiang told me the good news and the invitation. Undoubtedly, I couldn't behave well in my game that night.

Firstly, please accept my heartfelt congratulation and excitement! It's a wonderful coincidence that my birthday is on October 2nd too, so it is a double blessing for me! And it's my 20th birthday. Thus I think it as an important step of life for both of us! Three years of high school life leaves me too many precious and special memories, and I shall never forget them, wuwuwu. I am so grateful to meet you at the best age.

I am really really joyful and happy to have this chance to witness your wedding! Congratulations on your good marriage!

Yours sincerely

Zhou Qianyun

Dear Elaine,

I'm writing this letter to send you a sincere congratulation on your wedding and wish you a happy marriage filled with all the good things, though I'm not able to attend the ceremony.

As the monitor of 403 class, I also send you the best wishes from all the members in 403. During our first year in senior high, it's you who gave us the professional guidance in English learning, together with a glimpse of the beauty of the language and the English culture. I'm pretty sure that everyone has learnt those fundamental skills in language learning and it helps a lot in our later studying in English. Recalling all those days struggling for the "ergao", we are grateful to have a devoted teacher like you.

At the most important day in your life, may the words convey my heartfelt blessings.

Wish you an abundance of love and happiness. Tous mes vœux de bonheur !

Yours sincerely

Dear Elaine,

You must look beautiful in your wedding dress ,like the fairy comes down to earth. And he must be extra special, because he is marrying a lovely girl. What a pity my opportunity does not go to the scene.

May all sweethearts become married couples, and may all married couples remain sweethearts.Here's wishing you both a lifetime of happiness!

Dear Elaine,

It's so glad to hear from you again ever since I graduated from high school. And I'm more than honored to attend your wedding.

To be honest, I was a little surprised when hearing this news because it sounds so unexpected to me. But at that moment it suddenly came to me how time flies and one year has passed since our last greeting. And that is enough for a relationship to sprout and thrive. I truly feel happy for you to find your true love and to begin a new life in the future. May you always be young and happy.

The way back is such a rocky road that this chance to meet each other in person becomes more meaningful and precious to all of us. Congratulations on your happy marriage! Looking forward to see you at the big day!

Yours sincerely,

Yushu

Dear Elaine,

Hearing that you're getting married from Yinan , I'm totally shocked, because in my impression you' re just like a rose blooming alone.

It' s my honor to attend your wedding and witness the special moment of your life. In this letter , but any word fail to express my mixed feeling. It includes grateful for without you I have no chance To pass CET-6 at once. It also includes happiness. Happy for you 've found a person to share you emotion , happy for you have more important person to care about and have no more energy to push your students (just a joke). And to my belief, not only me but also all of your students would always stand by your side , be happy that you're happy.

Lastly, I sincerely wish you a happy life and a perfect family.

沈老师新婚快乐!!

Yours

Dear Miss.Shen,

Hearing that you have found the love of your life , I'm writing to express my sincere congratulations!

As your former student, I'm deeply grateful for your industrious teaching and friend-like caring, without which I could not find the direction to move forward. You are such a wise and kind person that I knew there must be a wonderful love waiting for you, and the day is coming!

I'm extremely eager to witness the wedding, which will certainly be romantic and moving. However, the pandemic hampers my plan back to HangZhou. But it can't hamper my benediction. My mind will be back haha.

Again, congratulations and best wishes!

It's my pleasure to attend your wedding. Before I graduated, I still remember the help you gave me in my grades and the care you gave me in my life.
